

SLOWPITCH TOURNAMENT

The Tainn Hunter Classic is an annual slowpitch tournament that donates all proceeds to Ronald McDonald House Charities, Telstra Childflight and the Hunter Medical Research Institute.

Named in memory of Tainn Hunter Cass-Dunbar who was born prematurely at 24 weeks and died after 53 days, the tournament is to support the charities that provided him with such wonderful support and continue to assist families and babies who are sick.

The 6th annual Tainn Hunter Classic will be conducted in Canberra on the Labour Day weekend of October 3 to 5, 2008, and is open to mixed teams over the age of 16. The standard will be competitive but fun, with two divisions offered. There will be a "Home Run Derby" and a pitching contest with some great prizes.

All entry fees will go directly to the charities. The tournament promises to be a fun weekend where players will compete on the best diamonds in Canberra.

A raffle and a silent auction will be held in conjunction with the tournament. Participation is not limited to softball players, so let your colleagues and friends know. The items for auction will be on display during the games on Saturday October 4, 2008.

Softball ACT have kindly donated the facilities for the tournament at Hawker and the organisers would welcome any other offers of corporate sponsorship, goods or services, and volunteers to ensure the success of the tournament. In particular we are seeking people able to assist with selling raffle tickets, sponsorship of the umpires, or goods suitable for prizes or auction items.

For further information on sponsorship please contact Scott or Jannette Cass-Dunbar.
For entry information please contact Softball ACT.
